

Dear Friend of Wabash County Habitat for Humanity,

It has been a busy 2023! We have welcomed some new faces to our Board of Directors, we broke ground on a new build site on May 16th and we had a successful fundraiser on July 22nd where we raised over \$5K. We continue to collaborate with local businesses and organizations to find ways to end sub-standard housing in Wabash County. There is still a lot of work to do as we wind down the year. We invite you to join us in supporting Habitat's vision of a world where everyone has a decent place to live. Habitat works toward our vision by building strength, stability, and self-reliance in partnership with families in need of decent and affordable housing.
