Becky's Blueprints

As summer approaches, we at Habitat for Humanity invite families to enjoy all the wonderful activities our community has to offer. Whether it's hiking the beautiful trails at Salamonie State Forest, splashing around at local pools, or sharing a picnic at Paradise Spring Historical Park, there are plenty of ways to enjoy time together outdoors. Be sure to catch a concert at the Honeywell Center or join in on the many family-friendly events happening throughout the season. We're proud to be part of a vibrant community where families can thrive and make lasting memories—right here in Wabash County!

Want to make your Mom smile this Mother's Day? Grab a gift card for Garden Gate Greenhouse from Wabash County Habitat for Humanity! It's a win-win: Mom gets flowers she'll love, and you're giving back to the community. Pick one up today and make her day extra special!
