HOLIDAY HAPPENINGS

Becky's Blueprints

As another year comes to a close, I look back at everything that Wabash County Habitat for Humanity has accomplished in its 33 years of existence. We have provided homes for 25 families and soon will begin a new home for our 26th Habitat family.

We would not be able to do this without the generosity of our Wabash County community! The majority of our funding comes from donations and we are so grateful for the support!

From my home to yours-

I wish you and your family a Very Merry Christmas and Many Blessings in the New Year!
