# Thanksgiving Safety

**T**haw turkey below 40. Do not thaw on counter

**U**se caution when frying a turkey.  
Do not deep fry indoors

**R**emember to clean cooking surfaces regularly

**K**eeep children and pets away from hot surfaces

**E**nsure your turkey cooks to 165 F internal temp.  
Cooking time varies

**Y**our smoke detector should be tested before cooking -  
know where your fire extinguisher is!

## Becky's Blueprints

In this season of thankfulness, I have so much to be grateful for. But my heart also hurts for those who are struggling to find decent shelter or even food as we head into the winter months.

Wabash County Habitat for Humanity is more than just a home builder — we're a listening ear, a finder of resources, and a partner walking alongside families as they work toward stability and self-reliance. Every project, from home builds to A Brush With Kindness repairs, reminds me how powerful it is when a community comes together to care for one another. We're not just building houses — we're building hope.

As Thanksgiving approaches, I hope you'll take a moment to count your blessings and think about the difference you've helped make through your support of Habitat. From all of us at Wabash County Habitat for Humanity, thank you — and may your holiday be filled with warmth, gratitude, and community.

• BE THANKFUL •  
BE  
*Grateful*  
&  
• BE BLESSED •
